Tool Features

ACCESS
With a head only 2.2" in height and our patent-pending Inline™ battery, the W5330/W5350 goes places other impact wrenches only dream of.

CONTROL
The W5330/W5350 flies through bolts at speeds your ratchets can't reach. With the variable speed trigger and a conveniently located forward-reverse switch, you can keep one hand on the trigger and let the tool do the rest.

DURABILITY
Advanced technology that can take a beating. The W5330 is designed with a steel-lined aluminum hammer case, fully-serviceable head and a super-tough nylon housing, making it ready for every 6-ft. drop or shop fluid that comes its way.

POWER
180 ft-lbs. of reactionless torque in a slim, lightweight design offering the reach of a ratchet and the power of an impact.
