2145QiMAX 3/4" Air Impactool™

Maximum Impact

Maximum Impact

More power. Less air. Not only does the new Ingersoll Rand 2145QiMAX Impactool™ deliver incredible performance and industrial-grade durability, its efficient air motor also reduces air consumption — which saves you money.

MAX Power — **1350 ft-lb maximum reverse torque** from a tool that weighs just 7.4 lbs and is compact enough to access tight spaces

MAX Durability — **Built to last** and designed to withstand tough use in rugged environments; a **two-year limited warranty is standard**

MAX Productivity — **An air motor that's 16% more efficient** than its predecessor and **an easy-to-clean inlet screen** means less downtime, better tool performance, and less money spent on compressed air
